

RESOLUTION NO. 2004-266

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING  
THE CITY MANAGER TO AMEND THE EXISTING LODI  
ENERGY EFFICIENT HOME IMPROVEMENT REBATE  
PROGRAM, AND FURTHER AUTHORIZING THE CITY  
MANAGER TO ALLOCATE FUNDS TO CONTINUE THIS  
PROGRAM

---

WHEREAS, the state has mandated that beginning January 1, 1998, the City of Lodi is obligated to fund various programs through a Public Benefits Charge (PBC) based on an historical electric revenue requirement; and

WHEREAS, the requirement amounts to approximately \$1 million per year that must be dedicated to qualifying programs such as energy efficiency. A further stipulation is that these efforts must be done on the customer's side of the meter in order to qualify; and

WHEREAS, the City of Lodi's Public Benefits Program is comprised of four segments or customer groups: commercial/industrial, residential, community/non-profit, and municipal; and

WHEREAS, the Lodi Energy Efficient Home Improvement Rebate Program provides rebates to residential customers who install designated and approved energy conservation measures; and

WHEREAS, the current list of eligible measures are: programmable thermostats, ceiling fans, attic fans, whole house fans, air duct repair, air duct replacement, swimming pool pumps/motors, windows, shade screens, and/or window tinting. The rebates for these items vary; however, residential customers may receive a total rebate ranging from \$300 to \$600 depending on the total number of improvements installed; and

WHEREAS, Electric Utility staff requests to add three (3) new energy conservation measures to the Lodi Energy Efficient Home Improvement Rebate Program, which are as follows:

- 1) Electric on-demand hot water systems (\$50 rebate);
- 2) Exterior, EnergyStar® Timed Security Lighting (\$50 rebate); and
- 3) Thermal Shield/Radiant Barrier Roofing Materials (\$200 rebate when applied to residential structures).

WHEREAS, staff further requests an additional \$50,000 in Public Benefit Program funds be allocated to continue the Lodi Energy Efficient Home Improvement Rebate Program for residential customers.

WHEREAS, the City of Lodi Electric Utility staff respectfully recommends approval of the Lodi Energy Efficient Home Improvement Program as a qualifying component of the City of Lodi Public Benefits Program.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby authorize the addition of three (3) new energy conservation measures to the Lodi Energy Efficient Home Improvement Rebate Program, which are as follows:

- 1) Electric on-demand hot water systems (\$50 rebate);
- 2) Exterior, EnergyStar® Timed Security Lighting (\$50 rebate); and
- 3) Thermal Shield/Radiant Barrier Roofing Materials (\$200 rebate when applied to residential structures).

BE IT FURTHER RESOLVED that the Lodi City Council does hereby authorize the City Manager to provide an additional \$50,000 in Public Benefit Program funds to continue the Lodi Energy Efficient Home Improvement Program.

Dated: December 1, 2004

---

I hereby certify that Resolution No. 2004-266 was passed and adopted by the Lodi City Council in a regular meeting held December 1, 2004, by the following vote:
